Dear Mr Jones,

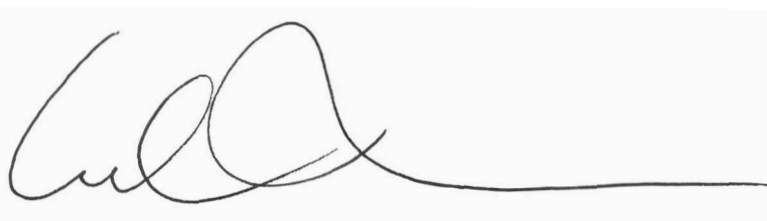

Re: Submission on Otway Gas Project application for authorisation A91135

Thank you for your letter dated 22 April 2009, providing the opportunity to make a submission on the above Project.

RACV will not make a formal submission at this time but would like to indicate that whilst we are supportive of any project designed to enhance local fuel production and security, such should include full consideration of sustainability principles including environmental impacts.

RACV would like to be informed of the progress of the application at the draft and final determination stages and Mr Brian Negus, General Manager, Public Policy via email: Brian.Negus@racv.com.au is our contact for this matter.

Yours sincerely,

COLIN JORDAN
MANAGING DIRECTOR & CEO
