Subject: re: REMCO authorisation application A91136-A91138

Dear Sir/Madam

We are in receipt of your letter regarding the above, seeking interested party submissions.

Envestra hereby supports the application by REMCo. REMCo has now been providing excellent services to market participants for a number of years, and we see no reason why the current authorisation should not be allowed to continue, in order to allow REMCo to continue to provide those services.

regards
Ralph
