(a) Description of the goods or services in relation to the supply or acquisition of which this notice relates:

Subdivided retail property in the Conder Tower of the NewQuay precinct at Melbourne Docklands (the "Retail Property").

Property management services of Metro Real Estate Services Pty Ltd as trustee for MAB Real Estate Services Trust (ACN 096 688 998) of Level 5, 441 St Kilda Road, Melbourne, Victoria 3004, trading as Precinct Management Services ("PMS").

(b) Description of the conduct or proposed conduct:

The Vendor proposes to:

- (B) refuse to sell or offer for sale the Retail Property for the reason that the purchaser has not agreed to acquire the property management services of PMS.

The purchaser of the Retail Property.

- (b) Number of those persons:

4 Public benefit claims

- (a) Arguments in support of notification:

The proposed conduct will be of benefit to the public and will not give rise to any detriment. The reasons set out in the previous notification N92147 apply to this notification. In brief, the proposed conduct will

- ensure consistency of management between the Retail Properties and the residential and marina components of the NewQuay precinct over which the MAB Group also has management responsibilities;
- ensure compliance with the various planning laws and precinct controls imposed in respect of the NewQuay precinct by the Docklands Authority and/or Melbourne City Council (e.g. waste disposal; loading bay restrictions);
- provide owners and tenants with coordinated property management services, which should produce consistency of service, economies of scale and increased buying power in relation to shared services (eg security, cleaning, marketing, maintenance) and consequently reduced outgoings on the part of tenants and/or owners; and
- provide owners and tenants with coordinated security and maintenance, thereby enhancing the safety and appearance of the NewQuay precinct.

(b) Facts and evidence relied upon in support of these claims:

The proposed conduct will not substantially lessen competition in the markets for the relevant services as:

- the proposed conduct will only affect the Retail Property owned by the Vendor. This represents a very small percentage of the retail properties available for purchase in the greater Melbourne area; and
- while other property managers and real estate agents will not be able to provide management and related services to the purchaser of the Retail Property during the term of the Property Management Agreement, there are numerous other owners and vendors of retail properties within retail developments and shopping centres in the greater Melbourne area which require these services.

5 Market definition

Provide a description of the market(s) in which the goods or services described at 2 (a) are supplied or acquired and other affected markets including: significant suppliers and acquirers; substitutes available for the relevant goods or services; any restriction on the supply or acquisition of the relevant goods or services (for example geographic or legal restrictions):

The relevant markets in which the proposed conduct will occur are the Melbourne retail property market and the Melbourne property management services market.

6 Public detriments

- (a) Detriments to the public resulting or likely to result from the notification, in particular the likely effect of the notified conduct on the prices of the goods or services described at 2 (a) above and the prices of goods or services in other affected markets:
