Dear Dr Chadwick

### **Medicines Australia Limited Application for Revocation and Substitution A91150 – Interested Party Consultation**

Thank you for the opportunity to make a submission in relation to Medicine Australia's application for authorisation of its Code of Conduct Edition 16. In this instance, Pfizer Australia will not make a submission.

Pfizer Australia has been involved in the Code of Conduct review process, including being an active member of the Code Review Panel. We agree with the proposals for the revised Code and expect these will result in greater public benefit without impacting competition or having other public detriment.

We would like to be informed of the progress of the application at the draft and final determination stages. Please forward progress updates to Jude Tasker, Head of Public Affairs and Policy (email - [jude.tasker@pfizer.com](mailto:jude.tasker@pfizer.com)).

Yours sincerely

**John Latham**
