Dear Mr Guirguis

**Authorisation applications submitted by Cuscal Limited, National Australia Bank
Limited and RediATM network members –
request for material to be excluded from the public register**

I refer to Cuscal Limited, National Australia Bank Limited and RediATM network members' applications for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 28 July 2009.

I have considered the applicants' request that the submission supporting the application be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Trade Practices Act 1974* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the relevant document will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your clients' submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Tess Macrae on (03) 9290 1835.

Yours sincerely
