Dear Ms Haddock

Application for revocation and substitution lodged by the Australasian Performing Right Association Ltd – request for material to be excluded from the public register

I refer to APRA's submission lodged with the Australian Competition and Consumer Commission (the ACCC) on 12 March 2010.

I have considered APRA's request that Attachments 1 and 3 to its submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Trade Practices Act 1974* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that Attachments 1 and 3 will not be placed on the public register. The submission and Attachments 2 and 4 will be placed on the public register in the form in which they were provided to the ACCC.

Should you have any queries about this matter, please contact John Rouw on 03 9290 1402.

Yours sincerely

Dr Richard Chadwick
