Dear Dr Chadwick,

Generic Medicines Industry Association Pty Ltd (GMiA) application for authorisation [A91218 & A91219] – interested party consultation

Thank you for your letter of 7 April 2010 inviting interested parties to make a submission in regard to the Generic Medicines Industry Association request for authorisation of its Code of Practice 2nd edition. ACT Health supports the principles underpinning the development of the Code. No issues have been identified which warrant the development of a submission.

Thank you again for the opportunity to comment.

Yours sincerely

**Dr Peggy Brown
