Subject: FW: BARA application for revocation and substitution A91200 -request for submission

Jess,

As discussed, Unisys has no further comment to add to the submission below other than correction that the company is not **Unisys Philippines Limited**, but should be **Unisys Australia Pty Limited**.

I am OK with a copy of your email to me to be put on the ACCC public register.

Also, would you please keep me informed of the progress of the application at the final determination stage.

Thanks

Dave

Subject: BARA application for revocation and substitution A91200 - request for submission

Dear Mr Walton

As discussed yesterday afternoon, the Australian Competition and Consumer Commission (the ACCC) has received an application for revocation and substitution of an authorisation (re-authorisation) from the Board of Airline Representatives of Australia Inc (BARA). A draft determination was released by the ACCC on 24 March 2010. A copy of the draft determination is available from the ACCC's website at <<http://www.accc.gov.au/content/index.phtml/itemId/904461/fromItemId/278039>>. A copy of BARA's application and supporting submission is also available by following this link.

After the release of the draft determination, BARA made a further submission to the ACCC requesting authorisation to engage in collective negotiations with Unisys Philippines Limited. A copy of that submission is available at <<http://www.accc.gov.au/content/index.phtml/itemId/904461/fromItemId/278039/display/submission>>.

Request for submission

As discussed yesterday, the ACCC invites you to make a submission on the likely public benefits and effect on competition, or any other public detriment, from the proposed arrangements. Attached is a summary of the

authorisation process including how to make a submission to the ACCC.

<<Authorisation process.pdf>>

If you intend to provide a submission in relation to BARA's application for re-authorisation, please do so by **Wednesday, 28 April 2010**.

Alternatively, if you would like to provide comments orally, please contact Jessica Buik on 02 6243 4940 to organise a suitable time.

Submissions, including oral submissions, will be placed on the ACCC's public register subject to any request for exclusion (guidelines are attached).

<<Exclusion guidelines.pdf>>

Please advise if you do not wish to make a submission at this time, but would like to be informed of the progress of the application at the final determination stage.

You can also forward this e-mail to any other party who may wish to make a submission to the ACCC regarding the application.

This e-mail will be placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Jessica Buik on 02 6243 4940.

Kind regards,

Jessica Buik
