Dear Mr Mekler

**Collective Bargaining Notification CB00143 submitted by Hertz Australia Pty Limited –
request for material to be excluded from the public register**

I refer to Redspot's submission regarding the above notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 3 May 2010.

I have considered your request that the confidential version of the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Trade Practices Act 1974* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of the submission will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Tess Macrae on (03) 9290 1835.

Yours sincerely
