Dr Richard Chadwick  
General Manager  
Adjudication Branch  
Australian Competition and Consumer Commission  
GPO Box 3131  
Canberra ACT 2601

Dear Dr Chadwick

Thank you for the opportunity to comment on the application for revocation and substitution of authorisations from Agsafe Limited (Agsafe).

You may be aware that the Department of the Prime Minister and Cabinet chaired the COAG Review of Chemicals of Security Concern in 2008. When in that role, we made representation to the ACCC to have the Agsafe program continued.

The COAG Review has now been completed and responsibility has been passed to the Chemical Security Unit in the Attorney-General's Department. The contact for the Chemical Security Unit is Alex Webling, (02) 6141 2985, [alex.webling@ag.gov.au](mailto:alex.webling@ag.gov.au).

I understand that the Attorney-General's Department are keen to see programs like Agsafe continue and we support this view.

Yours sincerely

Dr Rob Floyd  
Assistant Secretary  
Infrastructure Security and Emergency Management Branch  
Department of the Prime Minister and Cabinet
