Dear Mr Westmoreland

Third line forcing notification N94686 lodged by Trinity Telecom Pty Ltd

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 26 May 2010.

Trinity Telecom proposes to offer a discount to customers of its telecommunications services on condition that the customer acquires payment system services from a nominated third party or class of third parties.

Legal immunity conferred by the notification commenced on 9 June 2010.

On the basis of the information you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that Trinity Telecom and its payment system services providers will disclose all relevant terms and conditions to prospective clients.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Gina D'Ettorre on 03 9290 1483.

Yours sincerely

David Hatfield
