Dear Mr Dahl

**Brisbane Marine Pilots Pty Ltd application for authorisation –
request for material to be excluded from the public register**

I refer to your client's application for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 10 June 2010.

I have considered your client's request that Attachment B to the application be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Trade Practices Act 1974* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document/part document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that Attachment B will not be placed on the public register.

This letter will be placed on the public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Lauren Roy on (03) 9290 1823.

Yours sincerely

David Hatfield
