**Subject:** Agsafe - Submission on interim authorisation  
**Importance:** High

Ben,

- Agsafe have been very successful in significantly improving pesticide and veterinary medicine storage and transport in the rural merchandise sector,
- The authorisation - threat of sanction has been critical to that success, noting that it has not been necessary to issue any in the last 3 years,
- Granting an interim authorisation is supported.

A more detailed submission on the authorisation will be provided by 21 June 2010 deadline.
