Dear Mr Scuderi

Application for revocation and substitution submitted by Premium Milk Ltd – request for material to be excluded from the public register

I refer to the application for revocation and substitution lodged by Premium Milk Ltd (Premium) with the Australian Competition and Consumer Commission (ACCC) on 22 June 2010.

I have considered your request that the three attachments to Premium's supporting submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Trade Practices Act 1974* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the three attachments to Premium's supporting submission will not be placed on the public register.

This letter has been placed on the ACCC's public register. Should you have any queries in relation to this matter, please do not hesitate to contact Sharon Clancy on (02) 6243 1217.

Yours sincerely
