Dr Richard Chadwick
General Manager
Adjudication Branch
Australian Competition and Consumer Commission
GPO Box 3131
CANBERRA ACT 2601

Dear Dr Chadwick

Thank you for your letter of 9 June 2010 concerning the Vision Group Holdings Limited application for authorisation A91217 and the Australian Competition and Consumer Commission (ACCC) draft determination in respect of this application.

Tasmania has no objections to the proposed decision to grant the authorisation. Vision Group Holdings is not currently active in Tasmania and even if it were to become so in the near future, it is considered that there would be sufficient competition available in Tasmania, and that the authorisation is in the best interests of consumers.

Thank you for the opportunity to comment.

Yours sincerely

David Roberts
Secretary
