Dear Mr Channing

Thank you for your letter of the 6th of July inviting the Australian Maritime Safety Authority to make a submission relating to DP World Ltd and Patrick Stevedores Australia Pty Ltd applications for authorisation. I note that the authorisation relates to making available preferential treatment to truck carriers engaged in 'dual runs'.

Given the nature of this application, which in this particular circumstance, is outside AMSA's scope of interest, I can advise that we will not be making a submission. I would like however, to thank the ACCC for consulting AMSA on shipping container issues.

Yours sincerely

GRAHAM PEACHEY
