Dear Dr. Chadwick

**Agsafe Limited (Agsafe) application for authorisation A91234, A91242-A91244
-draft determination**

Thank you for your letter of 20 August 2010 advising of the ACCC's draft determination. We commend the ACCC for this determination regarding the Agsafe application.

As indicated in our letter of 9 June 2010, the Veterinary Manufacturers & Distributors Association Ltd (VMDA) supports the Agsafe application for authorisation to continue to enforce the Agsafe Code of Conduct for a further three years.

This will provide Agsafe with time to fully introduce the new incentive scheme. VMDA supports Agsafe in the development of this new model subject to the defined products being agricultural and veterinary "farm chemicals".

Should you require us to enlarge on this response we are prepared to participate in any consultation process.

Yours sincerely

Ian Saunders
President
