Dear Ms Lynch

**Authorisation applications A91218 to A91219 submitted by  
the Generic Medicines Industry Association Pty Ltd –  
request for material to be excluded from the public register**

I refer to your submission regarding the above applications for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 31 March 2010.

I have considered the GMiA's request that the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Trade Practices Act 1974* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the relevant document will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public submission. This submission will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Tess Macrae on (03) 9290 1835.

Yours sincerely

David Hatfield
