Dear Mr Woodward

**Authorisation Applications A91227 & A91228 submitted by Virgin Blue Airlines Pty Ltd
& Ors – request for material to be excluded from the public register**

I refer to your submission regarding the above applications for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 6 May 2010.

I have considered your request that the confidential version of the applicants submission in response to the draft determination be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Trade Practices Act 1974* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of the submission in response to the draft determination will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your clients' submission on 14 October 2010. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Jessica Buik on 02 6243 4940.

Yours sincerely

Dr Richard Chadwick
