Dear Mr William

**Third line forcing notification N95247 lodged by Sci-Fleet Motors Pty Ltd**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 31 January 2011. The notification has been placed on the ACCC's public register.

Sci-Fleet Motors offer a discount of up to \$2,000 on the purchase of a new or used motor vehicle or truck to a purchaser who acquires finance for the purchase from Toyota Financial Services.

Legal immunity conferred by the notification will commence on 14 February 2011.

On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that Sci-Fleet Motors will disclose all relevant terms and conditions to prospective clients.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Clare McGinness on (02) 6243 1049.

Yours sincerely

Dr Richard Chadwick
