Dear Mr Georgiades

**Notification N93439 lodged by Cooperative Bulk Handling Limited  
– material excluded from the public register**

I refer to the Department of Transport WA's submission of 15 April 2011 regarding the above notification.

I have considered your request that the submission be excluded from the Australian Competition and Consumer Commission's (the ACCC) public register.

As you may be aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the Department of Transport WA's submission will not be placed on the ACCC's public register. I note that you also provided a public version of the submission on 6 May 2011. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Tess Macrae on 03 9290 1835.

Yours sincerely

Dr Richard Chadwick  
General Manager
