Dear Ms Palisi

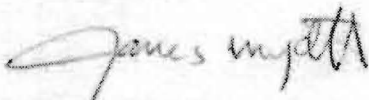

**ADF application for re-authorisation of collective bargaining arrangement**

Thank you for the opportunity to discuss National Foods' views on the ADF's application for re-authorisation of its collective bargaining arrangement as set out in Authorisation No. A 90966.

I confirm that National Foods does not object to the re-authorisation by the ACCC of this arrangement, provided that the conditions that were included in that authorisation continue in any re-authorisation.

Please let me know if you have any further queries.

Yours faithfully

**James Wyatt**  
Legal Counsel
