Dear Mr Oliver

**Authorisation application A91261 submitted by Pozzolanic Enterprises Pty Ltd –  
request for material to be excluded from the public register**

I refer to the supplementary submission of Tarong Energy Corporation Limited (TEC), which you lodged with the Australian Competition and Consumer Commission (the ACCC) on 20 May 2011 (TEC's 20 May 2011 Submission). The supplementary submission relates to the pre-decision conference of 12 May 2011 and the ACCC's meeting with TEC on 17 May 2011 in this matter.

I have considered your request that paragraph 17 and the annexure to TEC's 20 May 2011 Submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that paragraph 17 and the annexure to TEC's 20 May 2011 Submission will be excluded from the public register.

This letter will be placed on the ACCC's public register.

A redacted version of TEC's 20 May 2011 Submission will also be placed on the public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Ian Lawrence on (02) 6243 1058.

Yours sincerely
