Dear Mr Tzolakis

**Third line forcing notification N95418 lodged by Gant Corporation**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 31 May 2011. The notification has been placed on the ACCC's public register.

Gant is proposing to supply Apple i-phones 3 and 4 and , Telstra T-box and T-Hub products on condition that customers link these products to the Telstra network.

Legal immunity conferred by the notification will commence on 14 June 2011.

On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that Gant Corporation will disclose all relevant terms and conditions to prospective clients.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact David Hatfield on (02) 6243 1266.

Yours sincerely

Dr Richard Chadwick
