Dear Mr Mason

**Third line forcing notification N95463 lodged by AAM Enterprises Pty Ltd
trading as Ingham Betta Electrical**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 30 June 2011. The notification has been placed on the ACCC's public register.

AAM Enterprises Pty Ltd proposes to supply, or offer to supply, give or allow, or offer to give or allow, a discount, allowance, rebate or credit in relation to a range of telecommunications and related goods or services and / or promotional goods or services to retail customers on condition that they acquire or agree to acquire telecommunications services or products or particular telecommunications services plans from Telstra.

Legal immunity conferred by the notification commenced on 14 July 2011.

On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that AAM Enterprises Pty Ltd will disclose all relevant terms and conditions to prospective clients.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Mr Ian Lawrence on (02) 6243 1058.

Yours sincerely
