Dear Ms De Campo

**Authorisation A91269 submitted by the Newsagents Association of NSW & ACT –
request for material to be excluded from the public register**

I refer to your email of 15 August 2011 to the Australian Competition and Consumer Commission (the ACCC) regarding the above application for authorisation lodged with the ACCC on 1 August 2011.

I have considered your request that the details contained in your email of 15 August 2011, providing a breakdown of lottery agents into specific categories that were operating in New South Wales and the Australian Capital Territory in 2010, be excluded from the ACCC's public register.

As you may be aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the details of lottery agents operating in NSW and the ACT will not be placed on the public register.

This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Gina D'Ettorre on 03 9290 1483.

Yours sincerely

Dr Richard Chadwick
