Dear Dr Moore

**Authorisation A91106 request for material to be excluded from the public register by the
Australasian College of Cosmetic Surgery –**

I refer to the documents the Australasian College of Cosmetic Surgery provided to the Australian Competition and Consumer Commission (the ACCC) on 12 September 2011 in response to a request by the ACCC.

I have considered the College's request, that the document titled 'ACCS Member Audits – April-May 2011' be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the document noted above will not be placed on the public register.

This letter has been placed on the ACCC's public register.

Should you have any queries on this matter, please contact John Rouw on (03) 9290 1402.

Yours sincerely
