Dear Ms Henrick,

**Notification N95534 submitted by SuperIQ –
request for material to be excluded from the public register**

I refer to your letter of 21 September 2011 regarding the above notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 26 August 2011.

I have considered your client's request that parts of this letter relating to the identities of SuperIQ's proposed preferred suppliers be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the part document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the requested parts of the letter will not be placed on the public register until after SuperIQ has launched its service.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your clients' letter. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Hannah Ransom on (02) 6243 1255.

Yours sincerely
