Subject: A92169 - ACCC Draft Determination on NANA Application
Importance: High

Dear Ms Dalins,

I refer to the draft determination proposing to grant authorisation to NANA to collectively bargain with NSW Lotteries. Thank you for the opportunity to comment.

The only matter we would note is that as stated in paragraphs 4.5 and 4.6 of the draft determination, NSW Lotteries has a different view of the market definition. NSW Lotteries believes that the market, in respect of Lottery Products, is based upon State and Territory jurisdictions, for the reasons previously specified.

Notwithstanding this comment, we do not oppose the application and have no further comments on the draft determination.

If you have any queries, please contact me on (03) 8517 7538.

Yours sincerely,
Penny Grau
