Dear Dr Chadwick

CALMS application for interim authorisation

Thank you for your letter of 28 September 2011 regarding consultation on the CALMS application for revocation of authorisation A91092 and substitution of new authorisation A91276.

ACT Government Health Directorate is supportive of the request by CALMS for interim authorisation from the period its current authorisation expires (31 October 2011) until the outcome of their application is determined.

ACT Government Health Directorate will provide a more comprehensive submission regarding CALMS' application for reauthorisation to continue to apply a capped fees schedule, and to increase the fees charged under the capped fee schedule for the provision of their services, by 20 October 2011.

Yours sincerely

Ian Thompson
A/g Director General
