The market in the present notification is the national market for the retailing of architectural and decorative paint and coatings products and related accessory products. There will be little detriment to the public as a result of this notification, as the market is highly competitive.

There is voluntary participation in this arrangement. The individual stores can choose to individually negotiate directly with suppliers.

- (b) What other detriments may result from the notified conduct? In answering this question please provide facts and information to support the claims made:

None.

Section D – public benefits

6. Public benefit claims

- (a) Provide details of the public benefits resulting or likely to result from the proposed arrangement. In answering this question please provide facts and information to support the claims made:

The proposed conduct is likely to have the following benefits to the public by:

- (i) providing individual stores with access to architectural and decorative paint and coatings accessory products at competitive prices;
- (ii) Australian consumers will benefit from the proposed arrangement as they will obtain lower retail prices for the Products;
- (iii) providing BFC owned stores, franchisee owned stores and the Associate Member with a competitive advantage in the market;
- (iv) there are a large number of suppliers of accessory products for architectural and decorative paint products in the market. The proposed arrangement will facilitate competition in the market, and it may encourage other competitors to offer similar discounts.

SCHEDULE 1

Under the proposed collective bargaining arrangement, BFC will enter into a Supplier Trading Terms Agreement with the Target.

As mentioned in paragraph 1(b) of this notification, BFC operates a chain of retail stores and the Associate Member operates a retail store that sell architectural and decorative paint and coatings products and related accessory products to Australian customers. The Target is a supplier of such accessory products, namely the Products.

BFC, after consulting with a representative group of its franchisees and the Associate Member, will enter into negotiations with the Target to supply architectural and decorative paint and coating products to the BFC owned stores, franchisee owned stores and the Associate Member on the terms of the Supplier Trading Terms Agreement.

BFC operates the various stores under different arrangements, namely BFC owned stores and franchisee owned stores. The Associate Member operates its store under a similar system to the BFC franchisees however independently of the BFC franchise system. Since each store individually would be unable to reach the scale to compete effectively with large companies, this arrangement serves the purpose of BFC negotiating with the Target to supply related accessory products to the BFC owned stores, franchisee owned stores and the Associate Member at a discounted price. BFC will receive a rebate for this.

This arrangement is beneficial for the individual stores because BFC are able to negotiate for them collectively to achieve economies of scale not available to each specific entity.

Each franchisee and the Associate Member is not compelled to have BFC negotiate on their behalf and would be free to negotiate individually with the supplier at any time.

DIRECTIONS

1. Where the notice is given by or on behalf of a corporation, the name of the corporation is to be inserted in item 1 (a), not the name of the person signing the application and the application is to be signed by a person authorised by the corporation to do so.
2. Describe that part of the applicant's business relating to the subject matter of the contract, arrangement or understanding in respect of which notification is given.
3. A collective bargaining notification can not be lodged by a trade union or a trade union representative.
4. Where the applicant will be a participant in the collective bargaining arrangements (rather than a representative of participants) the name of the applicant must also be included. Where those persons are corporations, list the corporation's name and address.
5. The applicant, in lodging a notification on behalf of others, must obtain their consent to do so and provide proof of that consent.
6. Where the target is a corporation, provide the corporate name.
7. The collective bargaining notification process is only available to parties that reasonably expect to make one or more contracts with the target about the supply or acquisition of goods or services the subject of the notification.
8. The value of the contract to be collectively negotiated between the target and each participant is not to exceed \$3 million (or such other amount as is prescribed by the regulations) per participant in any twelve month period.
9. To the extent that the collective bargaining arrangements have been reduced to writing, provide a true copy of the arrangement. To the extent that the collective bargaining arrangements have not been reduced to writing, provide a full and correct description of the key terms that have not been reduced to writing.
10. In simple terms an exclusionary provision exists where the proposed contract, arrangement or understanding is made by businesses (at least two of whom are competitors) for the purpose of preventing, restricting or limiting the supply of services to particular persons or classes of persons by all or any of the parties to the contract, arrangement or understanding.

In the context of collective bargaining, an exclusionary provision(s) may include contracts, arrangements or understandings (whether currently in existence or to be made or arrived at during the term of the notification) between collective bargaining participants to limit or restrict their dealings with the target including contracts arrangements or understandings to:

- (a) withhold the supply of goods or services from the target; or
- (b) refuse or decline to acquire the goods or services of the target;

whether such conduct was absolute, limited or subject to certain terms or conditions. This is sometimes referred to as a collective boycott.

11. Provide details of the market(s) likely to be affected by the notified conduct, in particular having regard to goods or services that may be substitutes for the good or service that is the subject matter of the notification.
12. The notification must be signed by a person authorised by the applicant to do so.
