(b) Description of the conduct or proposed conduct:

To offer to customers of St.George Bank the exclusive ability to book tickets to one of the thirty-six screening nights of the outdoor cinema event in 2012 that will not otherwise be available to the general public "Exclusive Screening Night".

The offer of the Exclusive Screening Night may constitute third line forcing or exclusive dealing pursuant to the *Competition and Consumer Act 2010*, as the ability to book tickets to the Exclusive Screening Night will only be available to St.George Bank customers and not be available to persons who are not St.George Bank customers.

3. Persons, or classes of persons, affected or likely to be affected by the notified conduct

- (a) Class or classes of persons to which the conduct relates:

Persons who wish to visit the outdoor cinema events conducted by the applicant who either are St.George Bank customers or are not St.George Bank customers.

St.George Bank has over 2.6 million customers.

The total patronage of the outdoor cinema event is limited to 69,840 patrons over the course of the event.

4. Public benefit claims

- (a) Arguments in support of notification:

The proposed conduct will benefit customers of St.George Bank who choose to book tickets to the Exclusive Screening Night, by enabling them to choose to participate in an additional screening night of the event.

The proposed conduct does not require customers of St.George Bank to book tickets to the Exclusive Screening Night.

The proposed conduct is likely to benefit the public in that it will:

- (i) increase competition in the banking and financial services markets as it will encourage competitors of St.George Bank to provide similar or additional value added benefits to its customers; and
- (ii) increase competition in the cinema screening business as it will encourage competitors of the applicant to devise and offer promotions

to potential cinema patrons to encourage them to participate in cinema events.

Further, the proposed conduct will encourage potential sponsors of the Arts to offer financial sponsorship (or additional or alternative sponsorship) to other Arts events, by being able to attract or retain customers on the basis that they may have opportunities to participate in the Arts at a discount or otherwise enjoying benefits conferred by the sponsor to the customer.

- (b) Facts and evidence relied upon in support of these claims:

See 4(a) above

5. Market definition

Provide a description of the market(s) in which the goods or services described at 2 (a) are supplied or acquired and other affected markets including: significant suppliers and acquirers; substitutes available for the relevant goods or services; any restriction on the supply or acquisition of the relevant goods or services (for example geographic or legal restrictions):

There is a two tiered market.

The first tier is directly comparable outdoor cinema events, in that it is the conduct of outdoor cinema events in Sydney. In addition to the applicant, outdoor cinema events are conducted by competitors such as Moonlight Cinema at Centennial Park (with a estimated capacity of 2,000 patrons over 100 nights), Starlight Cinema at North Sydney Oval and Bondi Openair cinema at Bondi.

The second tier is the broader market of the screening of films at cinemas, which occurs at various locations with vast capacity for patronage throughout not only Sydney but also throughout capital cities, regional and rural Australia.

6. Public detriments

- (a) Detriments to the public resulting or likely to result from the notification, in particular the likely effect of the notified conduct on the prices of the goods or services described at 2 (a) above and the prices of goods or services in other affected markets:

The proposed conduct is not likely to cause any material public detriment because:

- (i) members of the public that are not St.George Bank customers are still able to book tickets to 35 of the 36 nights of the event;
- (ii) members of the public that are not St.George Bank customers are able to attend other outdoor cinema events conducted in Sydney this summer, including Moonlight Cinema at Centennial Park (with a

estimated capacity of 2,000 patrons over 100 nights) Starlight Cinema at North Sydney Oval and Bondi Openair cinema at Bondi; and

- (iii) members of the public that are not St. George Bank customers will be able to see the film screened on the Exclusive Screening Night upon its general release to all cinemas throughout Australia which will occur within approximately one week after the Exclusive Screening Night.

The proposed conduct will not affect the price of the services, as the price remains constant for all patrons of the event, regardless of whether they book on the 35 general public nights or the one Exclusive Screening Night the subject of this notification.

- (b) Facts and evidence relevant to these detriments:
See 6(a)
