Dear Mr Woodall

**Notification N93402 submitted by Football Queensland Limited –
request for material to be excluded from the public register**

I refer to the meeting between Football Queensland Limited (FQ) and the Australian Competition and Consumer Commission (the ACCC) regarding the above notification on 3 November October 2011 and the documents provided by FQ at this meeting.

In particular, I refer to the following documents:

- 1) FQ's profit / loss statement for 2010
- 2) Data showing license fees, royalty payments and sales figures for the Teamwear Program over the 2007-2010
- 3) An example of a Sponsorship Agreement with a supplier and a club.

I have considered your request that these documents be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the above documents will not be placed on the public register. This letter has been placed on the public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Pamela Cue on 02 6243 1066.

Yours sincerely
