Dear Mr Fowler

**Notification N95282 submitted by 4Walls Ltd –
request for material to be excluded from the public register**

I refer to the above notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 14 February 2011.

I have considered your client's request that Annexures A and B to the Form G be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

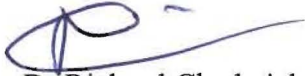

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the Annexures will not be placed on the public register.

I note that your client's submission contends that the information provided to the ACCC is on the basis that it will not be released or used for any other processes or purposes without the specific written approval of 4Walls Ltd. With respect to the documents described above that your client seeks to have excluded from the public register, the ACCC will not disclose this information to any third parties, other than the ACCC's legal and economic advisors, without first obtaining your written consent or unless compelled to do so by law.

This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Pamela Cue on 02 6243 1066.

Yours sincerely
