Dear Sir

**Re: Western Australian Broiler Growers Association Inc. Application for  
Authorisation A91262 – Request for Amendment to the Application**

In relation to the above, we request to include the following text as part of this application.

The Western Australian Broiler Growers Association advises that it is intended that the following will apply to their grower group members:

- Growers will form bargaining groups based on the processor for whom they grow, with collective bargaining to occur on a processor by processor basis.
- No participant in, or advisor to, any grower bargaining group will have any involvement with any other bargaining group in sharing knowledge about the bargaining process or outcomes and/or provide any other assistance in relation to contract negotiations to any other bargaining group.
- The matters set out in Annexures A and B of WABGA's application, which include a contract negotiation process and details about contract terms and conditions are intended to be indicative only and all matters in relation to the manner in which collective bargaining will be undertaken and the form of any contracts will be open to negotiation between the parties and will not be mandatory.
