Dear Mr Hutchinson

### **Third line forcing notification N96004 lodged by Carnarvon Bulk Fuels Pty Ltd**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 6 July 2012. The notification has been placed on the ACCC's public register.

Carnarvon Bulk Fuels Pty Ltd (**Carnarvon**) proposes to give, or offer to give, a discount to consumers purchasing motor fuels at participating service stations in Western Australia, on condition that the consumer has purchased a prescribed quantity of groceries at participating IGA stores nominated by IGA Distribution Pty Ltd (**IGA**).

Legal immunity conferred by the notification will commence on 20 July 2012.

On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that Carnarvon and IGA will disclose all relevant terms and conditions to prospective customers.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Garth Layton on (02) 6243 1274

Yours sincerely
