Dear Mr Stellos

**Third line forcing notification N96011 lodged by SSP Australia Catering**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 12 July 2012. The notification has been placed on the ACCC's public register.

SSP Catering proposes, upon presentation of a car parking ticket (for parking services offered by Sydney Airport Corporation at its International Terminal), to provide customers with one free coffee when that customer purchases another coffee from Dank St Depot.

Legal immunity conferred by the notification will commence on 26 July 2012.

On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that SSP Australia Catering and Sydney Airport Corporation will disclose all relevant terms and conditions to prospective customers.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact David Hatfield on (02) 6243 1266.

Yours sincerely

Dr Richard Chadwick
