Dear Ms Reye and Mr Smith

**Peter McInnes notification (N95877) –
request for material to be excluded from the public register**

I refer to the submission provided on behalf of your client on 14 September 2012 regarding the above notification lodged with the Australian Competition and Consumer Commission (**ACCC**) on 23 May 2012.

I have considered Peter McInnes' request that parts of its submission (including some attachments) be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the **Act**) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that parts of the submission (and relevant attachments) will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your client's submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Megan Cunningham on (03) 9290 1856.

Yours sincerely
