Dear Mr Carter

Authorisation A91331 submitted by Transport Workers' Union Queensland Branch – request for material to be excluded from the public register

I refer to the letters of 29 August and 7 September 2012 from your Branch Secretary, Peter Biagini, regarding the above application for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 22 August 2012.

I have considered your request that the company names indicated in the 29 August letter and the list of companies included with your 7 September letter be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document/part document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the 29 August letter will be placed on the public register with the company names blacked out and the list of companies sent on 7 September will not be placed on the public register. This letter has been placed on the ACCC's public register.

If you have any questions, please contact John Rouw on (03) 9290 1402.

Yours sincerely
