Dear Ms Morgans

Third line forcing notification N96203 lodged by Toyota Motor Corporation Australia Limited

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 12 October 2012. The notification has been placed on the ACCC's public register.

Toyota Motor Corporation Australia Limited proposes to offer a discount on Toyota motor vehicles on condition the customer is a member of the Master Builders Association or the Clipsal Club.

Legal protection conferred by the notification will commence on 26 October 2012.

On the basis of the information that you have provided it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the legal protection provided by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that Toyota Motor Corporation Australia Limited will disclose all relevant terms and conditions to prospective customers.

A copy of this letter has been placed on the ACCC's public register.

If you wish to discuss any aspect of this matter, please do not hesitate to contact Tess Macrae on (03) 9290 1835.

Yours sincerely
