Dear Mr Haberman

**Collective Bargaining Notification CB00280 submitted by Victorian Off-Course Agents Association –
request for material to be excluded from the public register**

I refer to the notification by Victorian Off-Course Agents Association lodged with the Australian Competition and Consumer Commission (the ACCC) on 19 November 2012.

I have considered your request that a confidential submission provided to the ACCC on 15 November 2012 be excluded from the ACCC's public register.

As you may be aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the relevant document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential submission will not be placed on the public register.

This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Luke Griffin on 02 6243 1114.

Yours sincerely

Dr Richard Chadwick
