Dear Ms Bodger

**Third line forcing notifications N95724 & N95725 lodged by Connect Tas Pty Ltd
& Dawaro Pty Ltd**

I refer to the above third line forcing notifications lodged with the Australian Competition and Consumer Commission (the ACCC) on 15 February 2012. The notifications have been placed on the ACCC's public register.

Connect Tas Pty Ltd and Dawaro Pty Ltd propose to offer a range of telecommunications and related goods or services and/or promotional goods or services to customers on condition that they acquire telecommunications services and/or related goods or services from Telstra.

Legal immunity conferred by the notifications commenced on 29 February 2012.

On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that Connect Tas Pty Ltd and Dawaro Pty Ltd will disclose all relevant terms and conditions to prospective customers.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please contact Tess Macrae on (03) 9290 1835.

Yours sincerely
