Dear Ms Ward

**Third line forcing notification N95683 lodged by McLaren Automotive Asia Pte
Ltd**

I refer to the above third line forcing notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 25 January 2012. The notification has been placed on the ACCC's public register.

McLaren Automotive Asia Pte Ltd proposes to enter into agreements with car dealerships for the supply of McLaren motor vehicles on the condition that the dealers acquire McLaren spare parts exclusively from Unipart Logistics Limited.

Legal immunity conferred by the notification commenced on 8 February 2012.

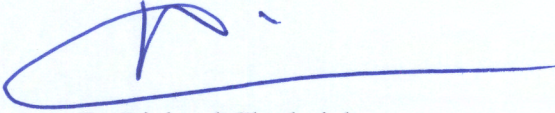

On the basis of the information that you have provided, it is not intended that further action be taken in this matter at this stage.

As with any notification, please note that the ACCC may act to remove the immunity afforded by the notification at a later stage if it is satisfied that the likely benefit to the public from the conduct will not outweigh the likely detriment to the public from the conduct.

This assessment has been made on the basis that McLaren Automotive Asia Pte Ltd will disclose all relevant terms and conditions to Bespoke Automotive Australia Pty Ltd and any future car dealerships which are subject to the notified conduct.

A copy of this letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Shane Chisholm on (02) 6243 1036.

Yours sincerely

Dr Richard Chadwick
