Dear Ms Russell

**Exclusive Dealing notification submitted by Western Australian Bar Association –
request for material to be excluded from the public register**

I refer to your notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 18 April 2012.

I have considered your Association's request that Attachment A (in whole) and Attachment B (in part) be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document, or parts thereof, be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the whole of Attachment A and part of Attachment B will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of Attachment B, redacted in part. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Mark Basile on (03) 9290 1855.

Yours sincerely
