Subject: TRIM: RE: ACCC consultation: aviation industry - Emirates & FlyDubai [SEC=UNCLASSIFIED]

Security Classification: UNCLASSIFIED

Dear Mark Basile

Thank you for your e-mail.

Malaysia Airlines (MAS) would like to state that MAS have no objection to the application of Emirates and Dubai so long as the ACCC is of the view that the application should be in the interests of the market and consumers be authorised and that all players should be granted an equal playing field at all times.

Thank you

With best regards
Vince See PhD
