Dear Mr Henderson

**Notification N93244 submitted by Jireh International Pty Ltd –
request for material to be excluded from the public register**

I refer to your submission regarding the above notification. The submission, consisting of a letter and four annexures, was lodged with the Australian Competition and Consumer Commission (the ACCC) on 18 May 2012. You lodged a redacted version of the letter on 1 June 2012.

I have considered your client's request that the initial letter and the annexures be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document/ part document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the letter of 18 May 2012 and the annexures will not be placed on the public register. This letter has been placed on the ACCC's public register. The redacted version of the letter will be placed on the register.

If you have any questions, please contact John Rouw on (03) 9290 1402.

Yours sincerely
