Dear Mr Murphy

**Notification submitted by La Trobe University –  
request for material to be excluded from the public register**

I refer to your notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 14 June 2012.

I have considered your request that paragraph 3 of Annexure 1 to the notification be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that paragraph 3 of Annexure 1 to the notification will not be placed on the public register due to the information being personal and private details relating to minors.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your clients' notification. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact David Hatfield on 02 6243 1266.

Yours sincerely
