Dear Dr Starr

Third line forcing notification N96232 lodged by Jasmin Solar - request for material to be excluded from the public register

I refer to your response to the Australian Competition and Consumer Commission's (the ACCC) request for further information regarding notification N96232, received by the ACCC on 16 November 2012 (Information Response).

I have considered your company's request that its Information Response be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the Information Response will not be placed on the public register.

This letter has been placed on the ACCC's public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Tanya Hobbs on (02) 6243 1029.

Yours sincerely
