Dear Mr Descovich

Authorisations A91385 & A91386 – submitted by Office of Liquor and Gaming Regulation – request for material to be excluded from the public register

I refer to your applications for re-authorisation.

I have considered the Office of Liquor and Gaming Regulation's (**OLGR**) request that part of the application be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the **Act**) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the part document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the part of document will not be placed on the public register.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Megan Cunningham on (03) 9290 1856 or megan.cunningham@accc.gov.au.

Yours sincerely
