Dear Mr Scuderi

**Authorisation A91378 submitted by CS Energy & Ors –  
request for material to be excluded from the public register**

I refer to your submission regarding the above application for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 20 June 2013.

I have considered your request on behalf of CS Energy, Callide Energy, InterGen and Callide Power Management (the Applicants) that the confidential version of their submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document or part document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of the Applicants' submission will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your clients' submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Hannah Ransom on (02) 6243 1255.

Yours sincerely
